- 1 CALL OR GO ONLINE**
Call us at **847-433-5155** or visit **RootCanalCareCenter.com** to request an appointment. Our friendly team is standing by to find a time that fits your schedule.
- 2 REFERRAL AND RECORDS**
If your dentist referred you, have your referral slip handy so we can schedule the right appointment. We'll coordinate directly with your dentist — so you don't have to.

No referral? No problem. Just tell us what's going on and we'll take it from there.

Using insurance? We work with most dental insurance plans. Share your insurance details and we'll handle the rest — making sure you get the most out of your coverage.
- 4 YOUR FIRST VISIT**
We begin with a thorough evaluation using advanced 3D imaging. We'll **explain everything clearly** and answer all your questions before any treatment begins.
